# Dear Leader's Words for August PS1

Greetings Comrade Laybackers!

I was at our Committee meeting last night at the Bellza Pub, and apart from admiring our shiny dome twins, Damo and Chef Pavitt, the next Pointscore came up and I was sure that it was next week, not this coming Sunday, but as my fellow Committee pointed out to me, I was wrong!

So that's why Killer has been sending me his very pointed text messages re - where are the words...!

So, I will put together with great alacrity, the Blessed Words for 7th of August - PS1!

A beautiful day dawned, but with zero waves at Bellza, and a pretty fair bank breaking at Easties, and no Easties Boardriders on that day, we went for it and the gear humping began, over the dune I mean, and down onto a nice flat expanse of beach, very comfortable it was!

Early, no wind to speak of, and a very slow increase, so we got going and hit it - lefts AND rights - yes both kinds, and the morning progressed in a very chill fashion, temperature and vibe, but sunny, which was really nice.

The BIG Raffle provides a great support for our club, so it was terrific to hand out ticket books, and record who got what.

Please do your best to sell / buy them (guilty of that), its terrific for the club's finances, and our sponsors get a good plug, and that is really important to make sure the arrangement is good for both sponsors and the Club - also they are a good bunch to chat with so have a yarn next time!

So, please let one of the committee know if you need more books.

With the threatened onshore, that pretty much started when it was predicted, we completed a good round in with mostly smooth surface conditions.....then it was back with the gear, and into a very cool set up in the carpark, sheltered by the trailer, up went the gifted gazebo (thanks Jemma!) and we set up the barbie, tables with merch, chairs, shade, what more could you want?! Oh yes, and refreshments too - it was a Layback picnic, right on the bend of the path!

Thanks everyone that was there and helped make it a really enjoyable morning.

Big thanks to Billy for his Competitive Edge Seminar on the 13th! Billy had prepared some wonderfully inspiring words and presented them really professionally on the great video / slide system at the Mines Rescue Centre in Woonona. We all got some wise words in print as well, and a notebook to set out our goals and help motivate us to become what we want personally, and also in application to surfing well.

Billy communicated the concepts really warmly and clearly, and i think we all got something out of it, and also learnt that snaking and dropping in is not always the best way to improve our surfing...!

I was keen for Billy to do this presentation to those members interested, as I think the better we each get at surfing the better the whole club gets, and we have always been a very strongly competitive club - so there is that advantage, and also just the plain old stoke you can get by seeing your mates get some good moves in - don't forget to hoot them!

Anyway, the 30th Anniversary tickets are now available, so please get yours as soon as you can! its going to be a night of good times, club celebration, and a good old fashioned party later with the salt stained FINZ making the tunes - so you know the old story - be there, or be square!

See you Sunday  
DL
