Hi again for another month. We had a pretty full agenda with a great June club round, Our Raffle Draw on the Long Weekend, We Hosted the "Lost Tribes Old Mal Rally" and then we found out that One of our Juniors Has taken out the NSW State Juniors Title AND the State Junior Loggers Title as well as the Highest Wave Score of the whole State Event !!!!

Our Club round was held in good, No .. Very Good Surf conditions 3 - 4 foot - Offshore Wind all day.. It was overcast with the odd shower but the waves made up for that. Skye made the best of it over Natto, but AGAIN Sammy T making another final.. he is now becoming a serious contender.. as well as reversing May's Junior results to win the division over Jordie this month.

Our Autumn Raffle Board was drawn at the Bowllo on the June Long weekend and was won by a Mr Tony Flack of Maclean who bought his ticket during the "Beef meets Reef" parade. The 9'1" Green Onfire can be still seen on Evans Head beaches under the arm of Greg "Gob" Hobbins who bought the board the Very Next day from Mr Flack in a swift move that beat off the opposition that was Vying to try anything to get the nice Board into their possession. ... FROM THE FRONT PAGE.....

Raffle Board story continued...

It is rumoured Greg paid \$700 for the board, AND Mr Flack copped a \$600 speeding fine travelling up from Maclean to pick it up. He must have been Keen.

The Lost Tribes weekend ..

The 3rd weekend of the Month saw our Club Host the traditional "Lost Tribes Old Mal Rally" which was also blessed with great waves,, Wide Right Handers on the "Bar" about 3 - 5 feet and offshore all day . In great friendly spirit 4 clubs challenged for the "BottleTop" trophy with Evans Head AND Clarence Head Clubs Tying for 1st Place. Loggerheads (Scotts) coming in 3rd and Tweed Old Mal riders finishing in 4th.. It was a close contest right up to the 2nd last heat.. Some great fish was cooked up and consumed as usual.

The Sunday after the Old Mal comp, the Halftide Board riders got even better conditions at Main beach for the best they have seen on a comp day of theirs for a couple of years and lots of Mal riders went over to Snapper and got it as good as it gets, From the Tip of the Point all the way to the Beach. Well worth the walk was the sentiment from the "Out of towners" but we Swore all of them to Secrecy, on threat of dismemberment.

Sam Ticknor's Success at the State Titles

Sam Has followed in the footsteps of a few of our clubs previous members in Winning the NSW State Junior Title, as well, He also took out the Junior Loggers NSW State Title.. Pretty good for a 14 year old in an Under 18's competition. I reckon he will go a long way in the future.

We have recently received some sponsorship from SIDEWAYS Surf Outlets. they have offered our club Members a club discount on any purchases you make. If you find yourself at their Tweed Heads Outlet (or their Burleigh Outlet) Make sure you wear your Club T-Shirt and say where you are from AND that MARTA sent you. Check with Ross for any more details
Cheers to All.....
